COUNTY LODGES AT BOWLING
GREEN.

The annual county reunion of the Knights of Pythias of Wood county, O., will be held at Bowling Green, O., Friday afternoon and evening, November 15th, 1937. Kenneth lodge No. 158 will be the host of the occasion.

The afternoon meeting will be called at 2:30 p. m., in Castle Hall, and will be devoted to business for the good of the order and the exemplification of the Esquire Rank upon Pages.

The evening session will be held in the Chidester theatre, the doors of which will be opened at 7 p. m., and all Knights in good standing who are in possession of the proper receipt, will be admitted to the theatre.

At 7:30 p. m., a program of music, etc., will be rendered, and at 8:30 p. m., the Third Rank will be exemplified.

Indications are that there will be a very large turnout both in the afternoon and evening, but especially at the evening session. Special cars are expected from Fremont with members of the lodge there and Grand Chancellor Kerns and Grand Keeper of Records and Seals Beatty will be here. Probably delegations will be down from Findlay and Toledo.

The decorating committee have arranged with the business men of Bowling Green to decorate their places of business and the lodge room and theatre will be properly attired.

MISS SHANKS DIES SUDDENLY.

While the Ladies Missionary Society was in session at the home of F. M. Sibert, of Scotch Ridge, Thursday, the ladies were shocked to see Miss Jennie M. Shanks taken with a sinking spell and shortly after expired.

She was one of their most valued members. Although afflicted with tuberculosis for sometime, she possessed wonderful vitality and energy, and her work in the United Presbyterian church there was remarkable.

The funeral was held on Monday morning at eleven o'clock at the U. P. church in Scotch Ridge, Rev. J. T. Caldwell, of Liberia, Ohio, who was pastor at Scotch Ridge, for fourteen years, officiated.

The deceased was 37 years old on January 16th last. She is survived by her father and mother, Thomas Shanks and her brother, Harvey Shanks, who live at Scotch Ridge. Thomas Davidson, of Bowling Green, is her uncle. She was the niece also of R. F. and Walter Davidson, Mrs. Sarah Stevens, and Mrs. C. C. Muir, all of Scotch Ridge.—Sentinel.

A HARD DEBT TO PAY.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by Wm. Comstock & Son's, druggists. 50c and \$1.00. Trial bottle free.

DID SOME SHOOTING

EX-SHERIFF REECE GETS AFTER
MARTIN KIRBY WITH A
GUN.

W. S. Reece figured in a shooting affair at Meadville, Pa., Friday night in which Martin Kirby, as he was known here, was shot at and pursued and captured by Mr. Reece. Kirby or M. W. Kilman, as he was known at Meadville, Pa., recently completed his term in the penitentiary at Columbus for complicity in the murder of Marshal Thornton, of Perrysburg, and was presumed to have gone to his home at Baltimore, Maryland. Mr. Reece went to Meadville last week to visit relatives and it was here that he discovered Kirby prowling about and rounded him up.

The Meadville Morning Star of Saturday has the following concerning the affair:

Residents of Pine street in the vicinity of St. Agatha's R. C. church were startled about 7:30 o'clock Friday evening by the sound of several revolver shots in quick succession, which were fired at a fleeing man who was subsequently run down and captured.

An investigation of the affair disclosed the fact that the shots were fired by ex-Sheriff W. S. Reece, of Bowling Green, Wood County, Ohio, and were directed at a man named M. W. Kilman, also of Bowling Green. It seems that the man Kilman was formerly in charge of Sheriff Reece at Bowling Green, where he underwent trial on a charge of murdering a man named Thornton, city marshal of that place. Kilman was found guilty, but through some flaw in the indictment got off with a year in the Ohio state penitentiary in Columbus. He was taken to the penitentiary by Sheriff Reece, and as stated by the latter, made many threats of getting even. Kilman was released from the penitentiary on October 28, last, and immediately returned to Bowling Green, afterwards coming to Meadville, where he arrived on Wednesday of this week. He claims to have secured employment at the Erie railroad shops, where he went to work Thursday.

Sheriff Reece, who by the way, was a former resident of Meadville, having left here some 16 years ago, arrived in the city Friday evening on train 6 for a visit with relatives on Pine street. Shortly after reaching the home of his relatives, Mr. Reece's attention was called to a man loitering around the house in a suspicious manner and going out discovered that it was Kilman. Upon being accosted by the sheriff Kilman started to run and in endeavoring to stop him the sheriff fired several shots, finally running his man down. Kilman was taken to the Thurston house and the city police telephoned for and the captured man was placed in the lock-up for a hearing this morning.

Kilman, who is a young man of perhaps, 28 years, has a bad record. He served two years in the Baltimore, Md., jail for breaking into a freight car, having been released on June 2, 1934. Returning later to Bowling Green he became involved in the murder of City Marshal Thornton, for which he served time as stated above.

While the exhibition of gun play in our peaceful city was a little startling to our citizens, some allowance must be made for the customs of different localities. It is a dangerous business at the best, however, and it is a matter of gratification that the affair did not have a more tragic ending.

COURT HOUSE CULLINGS

ITEMS OF INTEREST FROM THE
TEMPLE OF JUSTICE.

William Poates was bound over to the grand jury Thursday by Mayor LaFarree and his bond was raised to \$1000. He is confined in the county jail in default of the required bond where he will remain until the grand jury meets in January when inquiry will be made into the charge of incest placed against him. At the long hearing Thursday afternoon some damaging statements were made against him by his daughter whom he brought from Missouri sometime ago. He will not have to answer to any minor charge in connection with his disturbance the other day in the Heim home, as the punishment he received from Robert Rae was deemed fully adequate.

Poates' daughter, Lulu, was before Judge J. C. Lincoln on complaint of her mother who was unable to care for the girl. She had been in the county infirmary for some years until about three years ago when Poates found that she was his daughter, got her out on a habeas corpus and took her home. She is weak-minded and about once a month is violent and dangerous. Judge Lincoln committed her to the Toledo State Hospital. She also made serious charges against her father.

Separate answers have been filed by the defendants in the case of Henry Witte vs. Wm. C. Hille et al., through Baldwin & Harrington. Wm. C. Hille, the purchaser, states that he does not know that the plaintiff had leased the premises from the administrator of the Frederick Witte estate or that he had any rights except the removal of the crops as they removed. He says that some of the buildings need repairing and that he cannot have them insured unless they are kept in good order. Fred Moenter, the administrator, states that the sale of the real estate had been necessary to pay debts and was upon the authority of the probate court after Henry Witte had consented to the sale. He says that all the rights the plaintiff had contained in his statement to the plaintiff that he might put out the crops for \$175 but that all would be subject to the rights of sale of real estate.

PERRYSBURG VICTORIOUS

WON IN AN INTERESTING GAME
FROM THE YALES.

Last Sunday Perrysburg won in a very fast game from the Yales of Toledo, the score being 7 to 0.

In the first half the touchdown was made on a bad pass by the Yales' center, the ball rolling back of the goal line and Honner falling on it. In the second half a touchback was made. The fullback and the left end of the Yales played a great game. Sarver did good tackling; Charles made good line rushes and the forward pass was again used with a good gain.

Next Sunday Perrysburg will line up against the Segurs.

Sunday, the 24th, the heavy Navys will play here, and for Thanksgiving the Rossford team has been booked.
